

MAXXIS PRO SURF

JUMP INTO SURFCASTING UNIVERSE

This is a Big "Free Runner" with a fast drag release located on the spool. With this new device the drag and the extra drag features are adjustable independently. The result is a truly micrometric adjustment system that allows you to switch from "free running" to normal use by turning the handle by just half a turn. Equipped with five stainless steel ball bearings and sealed by a salt-proof special treatment the Maxxis Pro Surf incorporates an infinite anti-reverse roller bearing. Other features include anti-tangle, flow concept bail mechanism and worm shaft for perfect cross spool winding, fighting ergonomic handle (turned from solid) plus, super hard alloy graphite body, low capacity spool. All these outstanding features make this reel perfect for surf-casting.
